# Who we are ?

---

Varang Recruitment Solutions are one of the leading recruitment companies providing bespoke recruitment services into Contract, temporary and permanent roles. We aspire to be an ethical, forward-thinking, cutting-edge recruitment consultancy firm with a clear-cut vision. Fundamentally - our mission is to provide unrivalled, cost-effective and high-quality services through longrun partnership with our clients, candidates and applicants in the market sector we operate in.

# Our Success

---

Our greatest achievement is our happy customers....

Our success and proven track record is based on our core values of integrity, good partnership, excellence and, innovative. We maintain an excellent level of communication with both clients and candidates throughout the process whilst ensuring that we deliver the suitable candidate into the right position. We continually keep up to date with the market and our competitors, ensuring that we always improve on our services.

# Why choose us

---

Varang Recruitment Solutions's success is driven and maintained by our unrivalled team whom have a wealth of experience within their specialist market. This combined with a strong culture of ongoing career development and support ensures that top level standards are maintained throughout our business.

Excellent staffing solutions -  
Temp, Perm and Contract

24 Hours Service, 365  
Days a year

We are experts in what  
we do

Long term business  
through good partnership

# Dedicated account manager

---

All new clients are introduced with our dedicated account manager who will be your point of contact through out your experience. Our consultants specialise in different areas so we can always point you towards someone who has real expertise in your market. This knowledge ensures that we understand the technical requirements of your vacancy as well as the personal qualities you are looking for in a potential candidate.

# Understanding your business

---

We ensure the exemplary quality and calibre of our candidates by working in partnership with you gaining a comprehensive understanding of your business , environment, ethics and ethos , and detailed review of the positions, which you are looking to fit. One of the real benefits of this is that we'll be able to identify suitable candidates quickly so when you're under pressure to fill a role we won't waste valuable time presenting people who don't meet your requirements
